

NEW
**RENAULT
MEGANE SEDAN**

**refinement
and technology**

With its refined lines, Renault Megane Sedan has a personality all of its own. From the dynamic brand light to the ergonomics of the digital instrument panel and the 550-litre boot capacity, it is a masterful example of originality. Behind the wheel, assisted by a set of innovative aids, you can rediscover the pleasure of a smooth and relaxed drive.

MEGANE

RENAULT

exceptional design

High-status, convincing and dynamic, new Megane Sedan asserts its smooth lines. Muscular shoulders, chrome front grille and powerful look, the C-shape brand light houses full LED Pure Vision headlights that make night driving safer. Its sleek silhouette conceals a panoramic glass roof that beckons you to ride in a pool of light. Give free rein to your emotions, choose the exceptional.

**an alluring and
sophisticated saloon**

With its sporty profile, redesigned front end highlighted by a chrome-finish grille, its C-Shape lighting signature, 16", 17" and 18" wheel rims, and elegant, hi-tech interior... Megane Sedan is sure to spark a frenzy. Get ready to fall under its spell!

1. 10.2" digital instrument panel with driving information.
2. 9.3" easy link multimedia screen for navigation, radio, music, telephony, applications, etc.

**a new travel
experience**

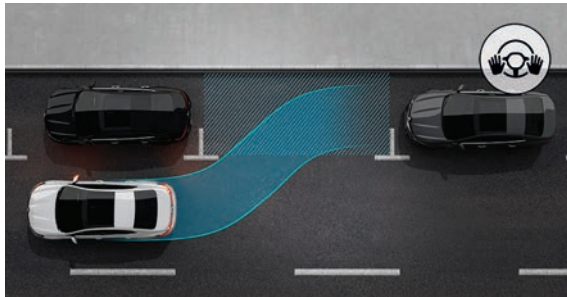

Configurable digital instrument panel with 10.2" screen and navigation mirroring, driver's seat with electric adjustment and position memory*... the attention to detail is everywhere. Enjoy the 9.3" easy link multimedia screen. With Renault easy drive, drive with peace of mind thanks to cutting-edge technologies such as cruise control, fatigue alert and lane departure warning. At the wheel of new Megane Sedan, you can enjoy unique driving pleasure.

* available exclusively for leather upholstery.

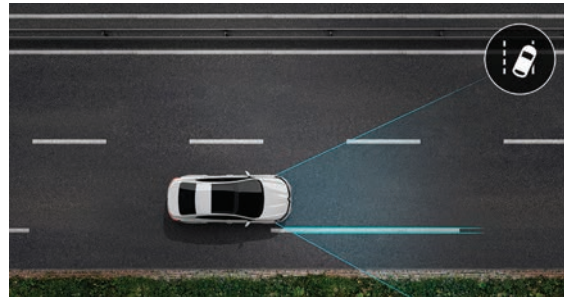

6 driving assistance systems

Renault Megane Sedan is equipped with six innovative driving assistance systems. Tried and trusted, it promises a safe and secure driving experience.

hands-free parking

This system makes it easier to park. Your vehicle handles both finding a parking spot and steering. All you need to manage is the speed.

lane departure warning

The system informs the driver if the vehicle drifts across a solid or dotted line, using a camera located on the windscreen, behind the rear-view mirror.

active rear vehicle detection

Exit your parking spot more comfortably. Your vehicle, equipped with sensors, signals the arrival of a vehicle that you may not have seen.

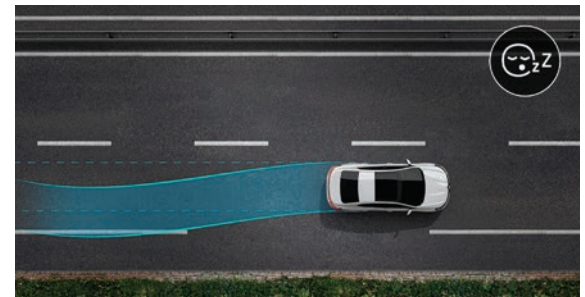

front and rear parking sensors

These sensors make manoeuvring easier by giving audible and visual signals about the proximity of obstacles in front and behind you.

rear view camera

This gives a rear view on the easy link screen when you engage reverse gear. Superimposed outlines make your manoeuvres easier and safer.

fatigue detection warning

This function analyses your behaviour and warns you of any risk of fatigue in the event of inappropriate steering wheel movements, for example. The warning then recommends you take a break via a visual and audible message on the instrument panel.

colour

Opaque White (CO)

Cosmos Blue (SEC)

Venetian Red (SEC)

Highland Grey (SEC)

Comet Grey (SEC)

Starry Black (SEC)

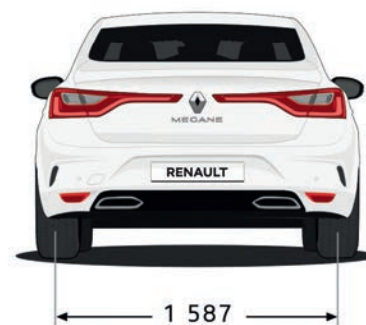

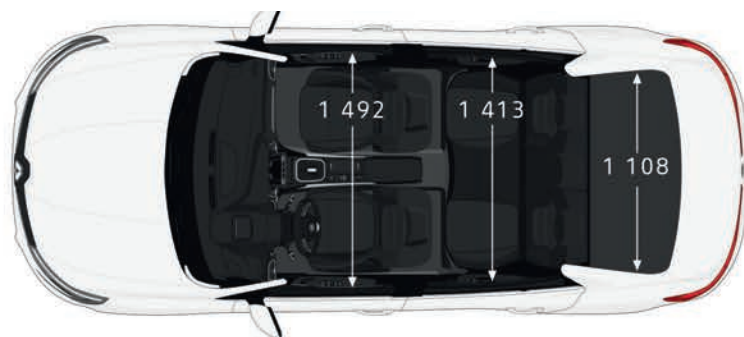

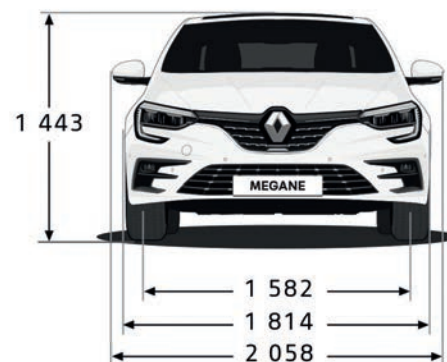

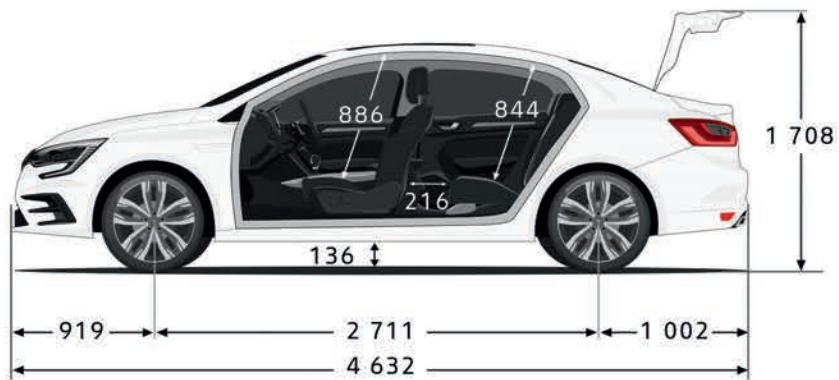

CO = clearcoat opaque

SEC = special-effect colour

18" Hightek alloy wheel

accessories

NOTE: Some of what's mentioned may not be available in your area.

1. Reversible boot liner. Ideal for easy transport of your products, particularly dirty items. It can be fitted quickly by adapting to the shape of your boot and effectively protects its original carpeting. Reversible textile/rubber, appropriate for any type of use.

2. Rubber floor mats with raised edges. Protect your passenger compartment floor with raised-edge, waterproof and easy-to-clean floor mats.

3. Induction charger. Ideal for recharging your phone by simply placing it on the charging base.

4. Tool-free removable towbar. Essential for towing or carrying a bicycle rack or trailer in complete safety, the ball joint can be easily removed without tools.

engines

SCe 115	
Fuel	Unleaded petrol (E5)
Maximum power kW (hp) /revs (rpm)	84/(1115) at 5,500
Maximum torque Nm / revs (rpm)	154 at 1,600
